

01 Smart Flood Bags

- **Water-Activated Technology:** The bags swell to dimensions of 12"x24"x3.5" when soaked in water.
- **Super Absorbent Material:** Uses a special powder with an absorption capacity of up to 500 times its weight.
- **No Sand Required:** Designed to contain and divert floodwater without the need for sand.
- **Eco-Friendly:** Made with environmentally friendly materials.
- **Lightweight:** Easy to transport and handle.
- **Quick Deployment:** Can be deployed rapidly during flood emergencies.

Flood Barriers 02

- **Self-Activating Design:** Flood barriers activate automatically upon contact with water.
- **Multiple Sizes:** Available in 5ft, 10ft, and 17ft lengths.
- **Rapid Expansion:** Swell to a height of 3.5 inches within 10 minutes.
- **Super Absorbent Material:** Utilize a special powder to efficiently control floodwater.
- **Eco-Friendly and Non-Toxic:** Made with environmentally safe and non-toxic materials.
- **Anti-Roll Design:** Built-in wedge prevents the barrier from rolling during use.
- **Stackable Option:** Can be stacked for increased height and protection.

03 Water Dams

- **Water-Activated Expansion:** Swell to a height of 2.5 inches within 5 minutes upon contact with water.
- **Compact and Lightweight:** Easy to transport and store when not in use.
- **Durable Construction:** Made with a high-visibility knit for added strength and durability.
- **Stretchable Material:** Knit material stretches as the berms expand, ensuring a secure fit.
- **Seepage Prevention:** Designed to effectively prevent water from leaking through.

Baffle Bag Kit 04

- Self-activating Bags grow to 38in x 15.5in x 24 in high
- No need for sand or labor, filling sandbags
- Absorbs 4 gallons of water & grows to full size in 10 minutes
- Contains a super absorbent powder that swells and gels water
- Swelled bags contain, control, and divert flood water
- Stack multiple bags in brick formation to increase wall height
- Leave in place for ongoing protection and use
- Safe, non-hazardous, non-toxic
- Environmentally friendly .
- Available in 2pk, 6pk, 20pk, & 120pk
